MISSION STATEMENT

Journey's End Animal Sanctuary was established in 1974 by Paul and Florence Thout. It is a private refuge for animals who have been abused, neglected or have special needs. Unlike traditional shelters that emphasize adoptions and promote euthanasia, Journey's End main purpose is to provide lifetime protection and care for animals with chronic illnesses, handicaps, temperament issues and other factors that make them unable to be placed in homes.

In addition to food, shelter and medical treatment the animals are nurtured and cared for by Florence and caring **volunteers** in a secure homelike setting to promote maximum human contact. There are no cages and animals have the ability to roam freely and happily about.

To preserve and develop Journey's End a board of directors was founded in 1998 and non-profit status 501 (c) (3) was granted in 1999. **FINANCIAL SUPPORT DEPENDS SOLELY ON DONATIONS FROM INDIVIDUALS AND THE BUSINESS COMMUNITY.**

JOURNEY'S END

*Is a wonderful place
filled with Love!!!*

Come and meet our animal friends! They always love company. Meet Lilo who was born paralyzed. She was fitted for a doggie wheelchair and WOW you should see her go! No speed limit restrictions here!

There is Powder our new addition who is albino, blind and a social butterfly to boot!

Meet Jodi and Petunia the pigs and Squirrel the cat who will somehow find a way to sit on your shoulders!

Come horse around with us... Fire, Raffi, Vinnie and Lucy.

Many of our animals have sad stories but Journey's End is a happy place for them to spend the rest of their days. A real "Happy Ending".

- 🐾 TOURS OF OUR FACILITY ARE AVAILABLE ON SATURDAYS
- 🐾 Please call ahead (386) 736-6396 for directions and to be sure that we can accommodate you / your group.
- 🐾 VOLUNTEERS ARE ALWAYS WELCOME!!

We need people to help with cleaning - maintenance, fundraising events, feeding, brushing and just lots of loving! Do you have a special talent/skill?

All you Cat-lovers Unite!!

Come and visit our 'cat-house!' There are plenty of us to go around, (approximately 100 of us free roaming attention hogs) let the purring begin.

We love to get attention, bushed or just having a loving lap to occupy.

None of this love and care would be possible without your support

"Without you, there would be no us."

*You are truly
THANKED
And loved.*
