Dear Santa

Skippy wants a Monte Carlo  
With Junior at the wheel.  
Petunia wants lots of bananas  
That she doesn't have to peel.

Fire wants a halter made  
With diamonds and pearls.  
Precious wants a wind-up toy  
That jumps around and twirls.

Banjo wants a golden ball  
To bat around all day.  
Add to that fresh carrots  
And lots and lots of hay.

On second thought, dear Santa,  
Forget all of the above!  
Just keep us here at Journey's End  
With our friends who give us love.

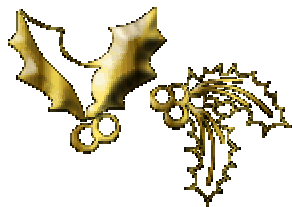

## ~ To all of our Friends ~

*We wish to convey our deep appreciation to the Daytona Beach News-Journal, the Orlando Sentinel, Fox News Orlando, and to everyone who so generously responded to their stories featuring Journey's End. Our sanctuary could not have survived all these years without such public support, and our continued survival depends on you. Words are inadequate to express our heartfelt thanks to each and every one of you.*
