Lulu

Hello, my name is Lucy,
But they all call me Lulu.
I'm told it's just a nickname
And not because I'm cuckoo.

Dropped at a construction site,
I wasn't wanted anymore,
So Journey's End adopted me,
Unaware what was in store!

I'm about 8 years old
And had many litters of puppies,
And I'll tell you, that wasn't fun—
It's like guppies having guppies.

My teeth were rotten, one fell out,
So I had a dental with Dr. Long.
Good medicine and lots of food
Made me healthy, big, and strong.

I jump on bars and billiard tables,
It's so good to be alive!
But I feel like queen of the world
When I can dumpster-dive.

Skippy had a playpen,
And it was perfectly good
Until I chewed it full of holes
Just 'cause I thought I should.

Here comes another challenge day!
What mischief can I make? I love it when they
yell and shout,
"Calm down, for goodness sake!"

I try so hard to outsmart the staff;
They think I'm really stupid.
But I can tip the garbage over,
And next minute look like Cupid.

Now the cupboards all have locks.
You tell me who is smarter...
I'll keep them jumping at my pace
Until they're ready to barter.

Charley says the holes are an improvement

Milo

Hello my name is Milo.
 I'm a very handsome cat.
 Come visit with me one day,
 And we'll sit down and chat.

Once upon a time I had
 A sister and a brother.
 Of course, the law of nature
 Gave me a father and a mother.

We were frolicking in a field
 Full of merriment and glee
 When hawks swooped
 and took two of us—
 Miraculously, not me.

Right now I have a private room.
 Life is full of happy bubbles!
 But in my past, wait 'til you hear
 My bucket full of troubles.

So began my woeful tale,
 At the beginning of my history.
 The fate of my siblings is so sad,
 But at least it's not a mystery.

One hawk tried to grab me,
 But I screamed really, really loud!
 He dropped me like a hotcake
 And flew back into a cloud.

My legs are a little wobbly
 And I find it hard to run
 But here at Journey's End,
 It's all play and lots of fun.

One day Iris and I
 Are going to have a race;
 I don't care who you wager on,
 She has the faster pace.

But we will run the distance,
 Perhaps a minute mile.
 And you will surely win this bet:
 We'll make you laugh and smile!

As loyal supporters, you are aware that we operate strictly via donations, and our need is ongoing. Since the beginning of 2012, we have had three major medical emergencies at Affiliated Veterinary Services (AVS) in Maitland, which were extremely costly. These were unexpected expenditures over a very short time that severely depleted our funds. Your continued generous help is vitally important to our mission, and is inexpressibly appreciated.
